## What's New and Other Important Information for 2006

### Capital Gains Distributed from Mutual Funds

For taxable years beginning on or after January 1, 2006, taxpayers can report capital gain distributions from mutual funds on Form 540 2EZ, if the amount reportable during the taxable year for federal and state purposes is the same.

### Registered Domestic Partners

Beginning with the 2007 tax year, registered domestic partners are required to file a joint California return or separate returns using the same rules applicable to spouses. If you are a registered domestic partner, you may choose to modify your withholding or estimated tax payments for 2007 in anticipation of this change.

### Direct Deposit of Refund - More Choices

For taxable years beginning on or after January 1, 2006, individual taxpayers may request that his or her refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund to go to your checking account to use now and the rest to your savings account to save for later.

### California Sch W-2

For taxable years beginning on or after January 1, 2005, you can use the CA Sch W-2 to report certain W-2 information. Attach CA Sch W-2 to Side 2 of your income tax return. You can keep your W-2's for your own records. This is an optional form, as you can still attach your W-2's to the front of your return if you choose not to complete the CA Sch W-2.

### Voluntary Contributions

For taxable years beginning on or after January 1, 2006, you may make contributions to the California Sea Otter Fund.

### Mandatory e-file

California law requires individual income tax returns prepared by certain tax practitioners to be e-filed. This law saves money and resources for the state. If you have a tax practitioner prepare

your return, they may be required to e-file it. You have the right to choose not to e-file, however, we encourage you to take advantage of everything e-file has to offer.

### Estimated Tax Payment Penalty

You may not be subject to estimated tax payments if your California withholding is enough during each payment period to total either 90% of your current tax year liability or 100% of your prior year tax liability (110% if your income is \$150,000 or more), **or** you paid enough through withholding to keep the amount you owe with your return under \$200 (\$100 if married filing separately). However, if you did not pay enough through withholding, you may have an underpayment penalty. Get form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries, for more information.

**Note: If you owe an underpayment penalty, you cannot use Form 540 2EZ. Use Form 540A, or Form 540; these forms are available through CalFile and e-file.**

### Head of Household Filing Status

Beginning in 2005, for a child to qualify as your foster child for head of household purposes, the child must be placed with you by an authorized placement agency or by order of a court.

If you are unmarried, your unmarried child no longer qualifies you for head of household filing status if he or she is 19 years of age or older, is not a student, and has gross income equal to or greater than the federal exemption amount (\$3,300 in 2006). In addition, if you are unmarried, your unmarried child also no longer qualifies you for the status if he or she is under 19 years of age, or a student under 24, and pays more than half of his or her own support.

### Dependent Exemption Credit

You are no longer entitled to a dependent exemption credit for your unmarried child who is under 19 years old or a student under 24 years old who pays more than half of his or her own support.

## Steps to Determine Filing Requirements

**Step 1:** Is your gross income (all income you received in the form of money, goods, property, and services from all sources that are not exempt from tax) more than the amount shown in the Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

**Step 2:** Is your adjusted gross income (federal adjusted gross income from all sources reduced or increased by all California income adjustments) more than the amount shown in the Adjusted Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, you do not have a filing requirement.

**Note:** If you do not have a filing requirement, you must file a return to claim your withholding.

See page 4 for Steps to Determine Filing Requirements.

## 2. How can I get help?

Throughout California more than 1,500 sites provide trained volunteers offering free help during the tax filing season to persons who need to file simple federal and state income tax returns. Many military bases also provide this service for members of the U.S. Armed Forces. Participating locations are listed on our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov), from January 2 through April 16, or call the FTB at (800) 852-5711 to find a location near you.

## 3. When do I have to file?

File and pay by April 16, 2007, but if you can't file by that date, you get an automatic, paperless extension to file by October 15, 2007. Any tax due must be paid by April 16, 2007, to avoid penalties and interest. See form FTB 3519 on page 23. If you make an extension payment with form FTB 3519, you can CalFile, e-file, or use Form 540A, Form 540, or the Long or Short Form 540NR when you do file your return.

If you are in the military, you may be entitled to certain extensions. For further information, get FTB Pub. 1032, Tax Information for Military Personnel.

## 4. I don't have my W-2s. What do I do?

If all your Forms W-2 were not received by January 31, 2007, contact your employer. Only an employer issues or corrects a Form W-2. For more information, call (800) 338-0505, select personal income tax, then frequently asked questions, and enter code 204 when instructed.

## 5. Should I round cents to dollars?

Yes, please round cents to the nearest whole dollar. Drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next whole dollar. For example, \$123.49 becomes \$123 and \$725.50 becomes \$726.

## 6. I discovered an error on my tax return. What should I do?

If you discover that you made an error on your California income tax return after you filed it (paper or e-file), use Form 540X, Amended Individuals Income Tax Return to correct your return. Get Form 540X online at [www.ftb.ca.gov](http://www.ftb.ca.gov) or call (800) 338-0505 and enter code 908. You cannot e-file an amended return.

## 7. I owe tax, but don't have the money. What can I do?

File your tax return by the due date to avoid interest and penalties. If you cannot pay on or before the due date, you may pay by credit card or request approval to make monthly payments. See page 9, Credit Card and Request Monthly Installments.

## 8. How can I find out about the status of my refund?

Go to our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov) or call (800) 338-0505. See page 14 for more information.

## 9. How long do I keep my tax records?

Generally, keep your California income tax records for at least four years from the due date of the return or four years from the date the return is filed, whichever is later. However, an extended period may apply for California or federal tax returns related or subject to federal audit.

## 10. I will be moving after I file my return. How do I notify the FTB of my new address?

You can notify the FTB of your new address by using form FTB 3533, Change of Address. This form is available on our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov) as a fillable form, or you can call (800) 852-5711, and select option 5.

After filing a tax return, you should notify the FTB of a change of address for up to four years, especially if you leave the state and no longer have a requirement to file a California return.

## 11. The Internal Revenue Service (IRS) made changes to my federal return. What should I do?

If your federal income tax return is examined and changed by the IRS and you owe additional tax, report these changes to the FTB within six months of the date of the final federal determination. If the changes the IRS made result in a refund due for California, claim a refund within two years of the date of the final federal determination. Either use Form 540X, Amended Individual Income Tax Return, to correct the California income tax return you already filed, or send a copy of the federal changes to:

ATTN RAR/VOL, AUDIT SECTION  
FRANCHISE TAX BOARD  
PO BOX 1673  
RANCHO CORDOVA, CA 95812-1673

Regardless of which method you use to notify the FTB, you must include a copy of the final federal determination along with all data and schedules on which the federal adjustment was based. Get FTB Pub. 1008, Federal Tax Adjustments and Your Notification Responsibilities to California, for more information. See Automated Phone Service on page 14.

**Note:** File Form 540X only if the change affected your California tax liability.

## Things you need to know before you complete Form 540 2EZ

Determine if you qualify to use Form 540 2EZ. See the table on page 4.

### Specific Line Instructions

These instructions are based on the Internal Revenue Code (IRC) as of January 1, 2005, and the California Revenue and Taxation Code (R&TC).

**Entity Section – Use the label** on the cover of this booklet to speed processing and prevent common errors that can delay refunds. Make corrections to the label by crossing out any errors and printing the correct or missing information in black or blue ink.

#### Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN)

Enter your SSN or ITIN in the spaces provided. If you file a joint return, enter the SSN or ITIN in the same order as the names.

An ITIN is a tax processing number issued by the IRS to foreign nationals and others who have a federal tax filing requirement and do not qualify for an SSN. It is a nine-digit number that always starts with the number 9.

### Line 1 through Line 5 – Filing Status

Fill in the circle on Form 540 2EZ for the filing status that applies to you.

#### Filing Status Checklist

Choose only one filing status. Your filing status for California must be the same as the filing status you used on your federal income tax return.

**Exception:** Married taxpayers who file a joint federal income tax return may file separate California returns if either spouse was:

- An active member of the U.S. Armed Forces (or any auxiliary military branch) during 2006; or
- A nonresident for the entire year and had no income from California sources during 2006.
- **Caution – Community Property States:** If the spouse earning the California source income is domiciled in a community property state, community income will be split equally between the spouses. Both spouses will have California source income and they will **not** qualify for the nonresident spouse exception.

#### You cannot use Form 540 2EZ if:

- You file a joint return and either spouse was a nonresident in 2006. Use Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return; these forms are available through **CalFile** and **e-file**.
- You are married and file a separate return. Use Form 540A or Form 540; these forms are available through **CalFile** and **e-file**.
- You have income from a source outside of California.
- You have income from a source not listed on this form.

#### Single

You are single if any of the following was true on December 31, 2006:

- You were never married; or
- You were either divorced under a final decree of divorce or legally separated under a final decree of legal separation; or
- You were widowed before January 1, 2006, and did not remarry in 2006 (see Qualifying Widow(er) below).

#### Married Filing Jointly

You may file married filing jointly if any of the following is true:

- You were married as of December 31, 2006, even if you did not live with your spouse at the end of 2006; or
- Your spouse died in 2006 and you did not remarry in 2006; or
- Your spouse died in 2007 before the 2006 return was filed.

A husband and wife may file a joint return even if only one had income or if they did not live together all year. However, both must sign the return.

#### Head of Household

This filing status is for unmarried individuals and certain married individuals living apart (considered unmarried) who provide a home for certain other persons. You may be entitled to use the head of household filing status only if ALL the following apply:

- You were unmarried or considered unmarried on December 31, 2006,
- You paid more than one-half the costs of keeping up a home for the year 2006,

- For more than half the year, your home was the main home for you and another person who lived with you,
- The other person was your qualifying relative,
- You were not a nonresident alien at any time during the year.

For more information get FTB Pub. 1540, California Head of Household Filing Status Information. Go to our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov) and take the self-test.

#### Qualifying Widow(er)

You are a qualifying widow(er) if ALL of the following apply:

- Your spouse died in 2004 or 2005, and you did not remarry in 2006,
- You have a birth child, adopted child, stepchild, or eligible foster child for whom you can claim a dependent exemption credit,
- This child lived in your home for all of 2006. Temporary absences, such as for school, vacation, or medical care, count as time lived in the home,
- You paid over half the cost of keeping up your home for this child,
- You could have filed a joint return with your spouse the year he or she died, even if you actually did not do so.

Enter the year of your spouse's death on your return.

### Line 6 – Can you be claimed as a dependent?

If someone else can claim you (or your spouse) as a dependent on his or her tax return, even if he or she chooses not to, then answer the following questions:

1. Are your total wages, interest, dividend, pension, and capital gains from mutual funds income less than or equal to:

Single	\$11,260
Married filing jointly or Qualifying widow(er)	\$22,570
Head of Household	\$15,970

2. Do you have a dependent?

If the answer to question 1 or question 2 is **Yes, Stop here**. You cannot use Form 540 2EZ because you will not be able to figure the correct amount of tax using the California 2EZ Tables. Get Form 540A or Form 540 at our Website [www.ftb.ca.gov](http://www.ftb.ca.gov); these forms are also available through **CalFile** and **e-file**.

If the answer to question 1 and question 2 is **No**, fill in the circle on line 6 and follow the instructions on line 17.

### Line 7 – Seniors

If you (or if married, your spouse) are 65 or older, enter 1; if both, enter 2 on line 7.

**This credit may not be claimed on Form 540 2EZ.**

### Line 9 – Wages

Enter the amount from federal Form W-2, box 16 or CA Sch W-2, line C. If you have more than one W-2, add all amounts shown in box 16.

Get Form 540A, Form 540, or Long or Short Form 540NR, at our Website [www.ftb.ca.gov](http://www.ftb.ca.gov); these forms are also available through **CalFile** and **e-file**.

**Exception:** Use Form 540 2EZ, if your federal Form W-2, box 1 and box 16 are different because you received ride-sharing benefits or sick pay under the Federal Insurance Contributions Act and Railroad Retirement Act.

If this exception applies to you, enter the amount from federal Form W-2, box 16.

## Line 10 – Total Interest Income

Enter interest income shown on Form 1099-INT, box 1.

- Partially taxable distributions from a pension plan.
- Retirement annuity between July 1, 1986 - January 1, 1987, and elected to use the three-year rule for California purposes and annuity rules for federal purposes.

For updates regarding the federal Pension Protection Act of 2006, go to our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov) and search for **conformity**. **If you have a federal/state difference in the taxable amount of pension income, you cannot file a Form 540 2EZ. Get Form 540A or Form 540 at our Website [www.ftb.ca.gov](http://www.ftb.ca.gov); these forms are also available through CalFile and e-file.**

If your filing status is:

  - If married and both spouses can be claimed as a dependent by another taxpayer, enter \$182
  - If married and only one spouse can be claimed, enter \$91
  - If qualifying widow(er), enter \$182

3. Add line 1 and line 2. Enter here and on

Form 540 2EZ, line 17 ..... **3**

**If you did not fill in the circle on line 6 follow the instructions below.**

Use the California 2EZ Table for your filing status to complete line 17. The 2EZ Tables in this booklet give you credit for the standard deduction for your filing status, your personal exemption credit, and dependent exemption credits. There are three different tables. Make sure you use the right one. If your filing status is:

Single	Go to page 15
Married filing jointly or Qualifying widow(er)	Go to page 21
Head of Household	Go to page 42

## Line 18 – Senior Exemption

If you entered 1 in the box on line 7, enter \$91. If you entered 2 in the box on line 7, enter \$182.

**Caution:** You cannot claim this exemption credit if someone else can claim you as a dependent on their return.

## Line 19 – Nonrefundable Renter's Credit

If you were a resident of California and paid rent on property in California which was your principal residence, you may qualify for a credit that you can use to reduce your tax. Answer the questions on page 12 to see if you qualify.

## Line 22 – Tax Withheld

Enter the amount from federal Form(s) W-2, box 17, CA Sch W-2, box 17, or 1099-R, box 10. If you have more than one Form W-2, add all amounts shown in box 17. If you have multiple entries on CA Sch W-2, add all amounts shown in box 17. If you have more than one 1099-R, add all amounts shown in box 10. The Franchise Tax Board verifies all withholding claimed from federal Forms W-2, CA Sch W-2, or 1099-R with the Employment Development Department.

## Line 24 – Tax Due

If the amount on line 22 is less than the amount on line 21, subtract the amount on line 22 from the amount on line 21. Enter the result on line 24. Your tax is more than your credits.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete Employment Development Department (EDD) Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. You can get this form from your employer or by calling EDD at (888) 745-3886. You can download the DE 4 at [www.edd.ca.gov](http://www.edd.ca.gov) or go to our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov) and search for DE 4.

## Line 25 – Use Tax

As explained on page 13, California use tax applies to purchases from out-of-state sellers (for example, purchases made by telephone, over the Internet, by mail, or in person).

You may report use tax on your income tax return instead of filing a use tax return with the State Board of Equalization. To report use tax on your income tax return, complete the Use Tax Worksheet on this page. For questions on whether a purchase is taxable, go to the State Board of Equalization's Website at [www.boe.ca.gov](http://www.boe.ca.gov), or call their Information Center at (800) 400-7115 or TTY/TDD (800) 735-2929.

If you owe use tax but choose not to report it on your income tax return, you must report and pay the tax to the State Board of Equalization. To do so, download a copy of Publication 79-B, California Use Tax, from [www.boe.ca.gov](http://www.boe.ca.gov) or request a copy by calling the State Board of Equalization's Information Center, see phone number above.

### Use Tax Penalty

Failure to timely report and pay the use tax due may result in the assessment of penalties.

**Note:** Businesses that have a California seller's permit must continue to report business purchases subject to use tax on their sales and use tax returns.

### Use Tax Worksheet

Round all amounts to the nearest whole dollar.

1. Enter purchases from out-of-state or Internet sellers made without payment of California sales/use tax. See worksheet instructions below. . . . . \$ .00
2. Enter the decimal equivalent of the applicable sales and use tax rate. See worksheet instructions below. . . . .
3. Multiply line 1 by the tax rate on line 2. Enter result here. . . . . \$ .00
4. Enter any sales or use tax paid to another state for purchases included on line 1. See worksheet instructions below. . . . . \$ .00
5. Total Use Tax Due. Subtract line 4 from line 3. Enter the amount here and on line 24. If the amount is less than zero, enter -0-. . . . . \$ .00

### Worksheet, Line 1, Purchases Subject to Use Tax

- Report items that would have been taxable in a California store. For example, you would include purchases of clothing, but not purchases of prescription medicine.
- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.
- If you traveled to a foreign country and brought items back to California, generally the use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less the \$400 per-person exemption. This \$400 exemption does not apply to goods sent or shipped to California by mail or other common carrier.
- If your filing status is "married filing separately," you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse must report the remaining half on his or her income tax return or on the individual use tax return available from the State Board of Equalization.

**Note:** Do not report the following on your income tax return:

- Vehicles, vessels, and trailers that must be registered with the California Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Leases of machinery, equipment, vehicles, and other tangible personal property.

### Worksheet, Line 2, Sales and Use Tax Rate

- Enter the decimal equivalent of the sales and use tax rate applicable to the place in California where the property is used, stored, or otherwise consumed. For example, the decimal equivalent of 7.25% is 0.0725, and the decimal equivalent of 7.375% is 0.07375.
- If you do not know the applicable rate, see the table below and on page 9, "Sales and Use Tax Rates by County." If you have questions regarding the use tax rate in effect in your area, visit the State Board of Equalization's Website at [www.boe.ca.gov](http://www.boe.ca.gov) or call their Information Center at (800) 400-7115 or TTY/TDD (800) 735-2929.

### Worksheet, Line 4, Credit for Tax Paid to Another State

- This is a credit for tax paid to other states. You cannot claim a credit greater than the amount of tax that would have been due if the purchase had been made in California. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

## Innocent Spouse Relief

You may qualify for relief from liability for tax on a joint return if (1) there is an understatement of tax because your spouse omitted income or claimed false deductions or credits, (2) you are divorced, legally separated, or no longer living with your spouse, **and** (3) given all the facts and circumstances, it would be unfair to hold you liable for the tax. For more information, get FTB Pub. 705, Innocent Spouse – Are You Eligible?, by calling (916) 845-7072, Monday - Friday between 8 a.m. to 5 p.m., or go to our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov).

## California Use Tax General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases from out-of-state sellers and is similar to the sales tax paid on purchases you make in California.

In general, you must pay California use tax on purchases made from out of state (for example, by telephone, over the Internet, by mail, or in person) if:

- The seller does not collect California sales or use tax, and
- You use, give away, store, or consume the item in this state.

**Example:** You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax for the purchase.

**Complete the Use Tax Worksheet** on page 8 to calculate the amount due.

**Extensions to file.** If you request an extension to file your income tax return, wait until you file your return to report your purchases subject to use tax and make your use tax payment.

**Penalty.** To avoid late payment penalties for use tax, you must report and pay the use tax with a timely filed income tax return.

**Changes in use tax reported.** Do not file an Amended Income Tax Return to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original tax return, contact the State Board of Equalization.

For assistance with your use tax questions, go to the State Board of Equalization's Website at [www.boe.ca.gov](http://www.boe.ca.gov) or call their Information Center at (800) 400-7115, or TTY/TDD (800) 735-2929. Income tax information is not available at this number.

# Instructions for Form FTB 3519

## Automatic Extension for Individuals

### General Information

Use form FTB 3519 **only** if:

- You cannot file your 2006 return by April 16, 2007; **and**
- You owe tax for 2006.

When you file your 2006 return, you can **e-file**. Visit our Website at **www.ftb.ca.gov**. Use Form 540A, Form 540, or Long Form 540NR. **Note:** If you use form FTB 3519, you may not file Form 540 2EZ or Short Form 540NR.

Use the worksheet below to determine if you owe tax.

- If you **do not** owe tax, **do not** complete or mail this voucher. However, file your return by October 15, 2007.
- If you owe tax, choose one of the following payment options:
  - **Web Pay:** To make a payment online or to schedule a future payment (up to one year in advance), visit our Website at **www.ftb.ca.gov**. **Do not mail** the voucher to us.
  - **Check or Money Order:** Complete the payment voucher below and mail it with your check or money order to the Franchise Tax Board (FTB). **Note:** Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.
  - **Credit Card:** Use your Discover/NOVUS, MasterCard, American Express, or Visa card. Call (800) 272-9829 or visit the Website **www.officialpayments.com**. Use the jurisdiction code 1555. Official Payments Corp. charges a convenience fee for using this service. **Do not** mail the voucher to us.
  - **Installment Agreement:** Can't pay the full amount you owe? Visit our Website at **www.ftb.ca.gov** or get form FTB 3567, Installment Agreement Request Booklet.

**Name and Address.** Fill in your complete name(s), address, and social security number(s) (SSN's) or individual taxpayer identification number(s) (ITIN's) on the voucher. If you lease a private mailbox (PMB) from a private business rather than a PO box from the United States Postal Service, include the Private Mail Box (PMB) in the address field. Write the acronym "PMB" first, then the box number. Example: 111 Main Street, PMB 123.

### Penalties and Interest

If you fail to pay your total tax liability by April 16, 2007, a late-payment penalty plus interest will be added to your tax due. The late payment penalty may be waived where 90% of the tax shown on the return is paid by the original due date of the return. If, after April 16, 2007, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid further accumulation of penalties and interest. Pay your additional tax with another form FTB 3519 voucher. If you do not file your tax return by October 15, 2007, you will be assessed a late-filing penalty plus interest from the original due date of the return.

### Taxpayers Residing or Traveling Outside the USA

If you are living or traveling outside the USA on April 16, 2007, the deadline to file your return and pay the tax is June 15, 2007. Interest will accrue from the original due date (April 15, 2007) until the date of payment. If you need additional time to file, you will be allowed a six-month extension without filing a request. To qualify for the extension, file your tax return by December 17, 2007. To avoid any late-payment penalties, pay your tax liability by June 15, 2007. When filing your tax return, attach a statement to the front indicating that you were "outside the USA on April 16, 2007."
